for PE/Health Majors

The secondary education sequence for all PE/Health education majors is listed below and is separated by level. Level 1 courses are designed to help candidates decide if education is the right career path. Level 2 courses are designed to have candidates learn the art of teaching. During Level 2 coursework, candidates must have 50 hours of clinical experience. Level 3 courses are taken during the student teaching semester and placement will be at both secondary and elementary levels.
