Handwritten notes in the first column, including a diagram with a dot and arrows.

Handwritten notes in the second column, including the expression $E_1 = \dots (E)$.

Handwritten notes in the third column, including the expression $E_1 = \dots$ and $F = C_1$.

Handwritten notes in the fourth column, including the expression $G = \dots 3 \cdot Q_1$.

Handwritten notes in the fifth column, including the expression (\dots) .

Handwritten notes in the first column, including a diagram with a dot and arrows.

Handwritten notes in the second column, including the expression $B = \dots D$.

Handwritten notes in the second column, including a diagram with a dot and arrows.

Handwritten notes in the second column, including a diagram with a dot and arrows.

Handwritten notes in the second column, including the expression $3 \cdot (\dots)$.
